### How it Works

#### Prepare Your Design File

Download the corresponding Design File and provide detailed descriptions of your design. Refer to our sample Design File to see how it should be structured. If your desired feature is not included, you may add comments, and we will evaluate whether it can be achieved. You may also attach drawings or supporting documents as annexes.

#### Submit Your Design File

Send your completed Design File to [info@runtangtextile.com](mailto:info@runtangtextile.com)

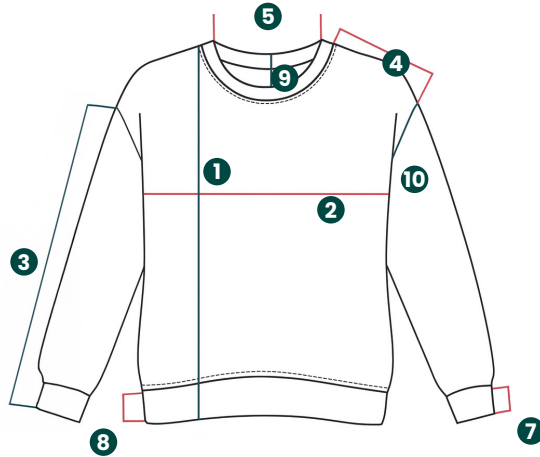

Our team will carefully analyze your project and provide you with a quotation.

#### Approval & Order Confirmation

Once the Design File is approved and your order is confirmed, we will proceed.

#### Production Process

Production begins once payment has been received and all required fabrics and accessories are ready. Throughout production, we will keep you updated on progress.

### ☐ Necklabel on the Back?

- Sewed woven label – 8 cm x 3 cm
- It will be placed 2 cm below the neckline.
- You can choose it to be sewed on the laterals or on all four edges.

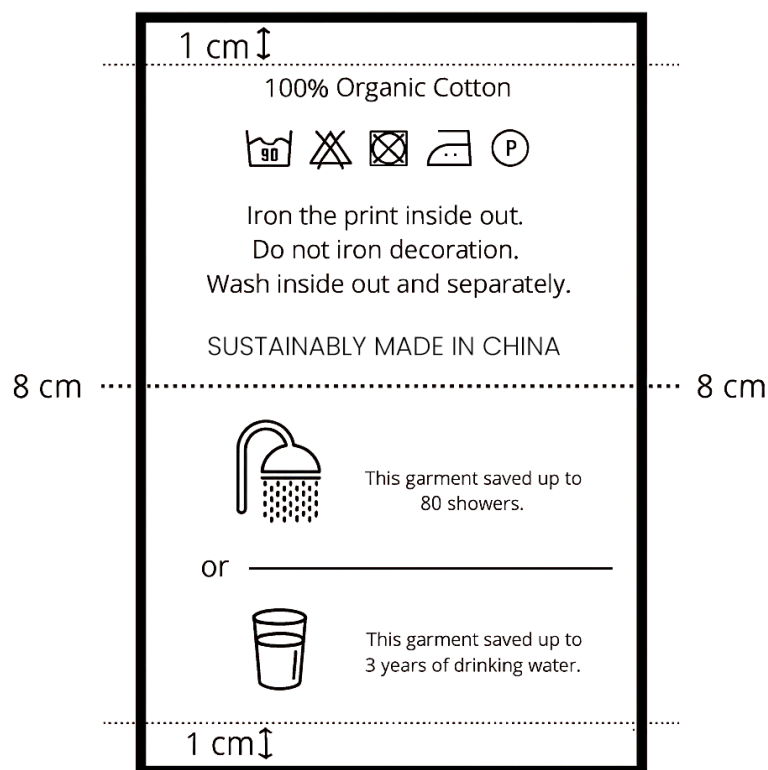

### ☐ Necklabel into the Seam?

- Sewed woven label – 4 cm x 5 cm
- It will be placed into the neck seam.

## Care Label

For the carelabel we will use our standard label. The label will be placed on the inside-left of the sweat.

Special Requests or comments regarding your care label? If so, please clarify below

## Informations

All our fabrics are 100% made and dyed in China.

All of our cotton is grown using natural fertilizers and pesticides. In addition, genetically modified seeds are not used in their cultivation, which helps to conserve seed biodiversity and soil fertility
